To; "Redistricting and Elections Committee Members"

Sirs, and Madams;

I am totally against any "National Popular Vote Compact" involving Michigan. The NPV is a political scheme cooked up to circumvent the Electoral College, and our Country's Constitution. Using a "compact" that states enter into, that decides the Presidential Election by the "popular vote" of those states, ensuring that the result will be to hand the Presidency to the (popular vote) "winner".

Its a clever way to avoid the need for a Constitutional amendment requiring a two-thirds vote in Congress and approval of 38 states.

Thank you. Robert
